Our Vision & Values

At Dandelions Pre-School and Out of School Club we are committed to providing the highest quality care and education in a secure and happy environment at affordable prices.

To us every child is a very special individual, with his or her own characteristics, needs and wants. For many, coming to pre-school will be the first time they have been apart from their parents or main carers and it is our aim to make this transition a happy and fulfilling one. It is the first step on the road to life-long education and it is vital that it is seen as safe and exciting so that the children will begin to develop a thirst for learning.

All the staff work very closely as a team, caring for each other as well as for the children. Every opportunity is provided for enhancing our own learning and career development. We are also committed to developing positive relationships with the families of all the children who come to our pre-school and out of school club.

Our Aims & Objectives

- To make Dandelions accessible to children and families from all sections of the local community.
- To provide a stimulating environment where children will feel happy, secure and valued.
- For the children to learn new skills, make choices, develop their independence and self-esteem
- To meet each child's individual needs.
- To work towards the Early Learning Goals.
- To work with families to achieve the best for each and every child.
- To prepare each child for the transfer to school.
